Dear Supplier:

As communicated in public announcements on March 23, 2023, ASRC Federal Holding Company, LLC ("ASRC Federal") acquired certain assets of Science Applications International Corporation ("SAIC"), including prime contracts with the U.S. Government, effective 6 May 2023, the closing date. This notice of assignment is applicable to agreements, which supports one or more of these prime contracts, that were executed by SAIC prior to the closing date.

In accordance with the Assignment Clause of the Agreement and/or applicable law, we are providing notice of the assignment of the Agreement in its entirety from SAIC to ASRC Federal effective as of the closing date. In accordance with this assignment, ASRC Federal becomes entitled to all rights, titles, and interests of SAIC in and to the agreement and assumes all obligations and liabilities of SAIC thereunder, as if ASRC Federal were the original party to the agreement.

If you have any questions regarding this communication, please immediately contact the undersigned.

Sincerely,

Joe Dennis
