

Transitioning to the New Unique Entity ID (SAM)

The Unique Entity ID is here! This is what you need to know.

On April 4, 2022
Government awards will be completed and reported using the Unique Entity ID (SAM)

- Unique Entity ID (SAM) is authoritative
- DUNS Number is not available

Overview of Changes

Beginning April 4, 2022, the Unique Entity ID from SAM.gov is the authoritative identifier for those doing business with the federal government. The DUNS

Number is no longer valid for federal award identification.

All of the Integrated Award Environment (IAE) systems—SAM.gov, eSRS, FSRS, FPDS, FAPIIS, and CPARS—are now only using the Unique Entity ID to identify entities.

The Unique Entity ID is generated in SAM.gov. **If you are registered in SAM.gov (active or not), you already have a Unique Entity ID.** It is viewable at SAM.gov.

Tips

- Don't have a Unique Entity ID yet? [Here's how to get one](#)
- Any DUNS Number fields in SAM.gov [APIs and extracts](#) will be empty.
- If you haven't already, replace DUNS Number fields with Unique Entity ID fields in your [saved searches](#) and [contract data ad hoc reports](#)

What Should I Keep in Mind?

Non-Federal Users:

- The next time you need to update your entity information or renew your entity registration, go to your SAM.gov workspace to [validate your entity information](#). Learn how [here](#).
- Entities who are prime awardees reporting on sub-awardees in FSRS should use the sub-awardee's Unique Entity ID. [You can search SAM.gov](#) for another entity's information.
- Those who are new to SAM.gov can register their entity or just get a Unique Entity ID by signing in to [SAM.gov](#) and selecting "Get Started." If you want to bid directly on contracts or grants from the federal government, choose "Register Entity." If you are a sub-awardee who just needs a Unique Entity ID for subaward reporting, choose "Get Unique Entity ID."

Federal Awarding Officials:

- [To search for an entity](#) in SAM.gov, you can use the entity's legal business name, CAGE code, or Unique Entity ID. You can no longer use the DUNS Number to search entities or exclusions.
